

DON MATTHEWS CZ WORLD CHAMPIONSHIPS

FOR IMMEDIATE RELEASE

The Don Matthews CZ World Championships featuring the Harry Taylor Cup is set for the weekend of May 5-6 at MMX Racing, 981 Shad Rd., in Marysville, CA.

The Don Matthews CZ World Championships is an annual vintage motocross race in Marysville featuring vintage and evo-era dirt bikes and riders from around the world. 2018 will be our 5th event and we are growing every year and becoming one of the most significant events in vintage motocross.

I would like to invite you to come out and see just what our race is all about. I've attached an event poster and a link to a one minute clip from our 2016 event; more clips from past races can be seen on our YouTube site, CZ Pirate TV.

https://www.youtube.com/watch?v=T9iR_GsnZeE

Our event feature some of the most expertly-prepared vintage dirt bikes in the world, along with former world and national champions such as Graham Noyce, Brad Lackey, Jim Wilson, John DeSoto and other past champions as well as riders from around the world, all coming together for a weekend of memorable racing and heart-felt camaraderie.

The 2018 event is on the weekend of May 5-6 and we expect our largest turnout ever. In 2017, we had over 350 and over 1000 spectators, ranging in age from kids to riders in their 70's! Friday is set-up and bench racing, Saturday is our famous Bike Show and Lifetime Achievement Award presentations with a tribute to Robin Hannah, our founder who died in November; practice follows with a bonfire and a visit to the Coupe Motocross Museum, and Sunday is devoted to racing.

Vintage motocross is simply cool and with our natural terrain, old school track, I think your group would greatly enjoy learning about what we're doing; we can arrange accommodations and even put you on a vintage CZ! Get back to me when you can, and thank you!
