KID'S RACE FREE

"TT Scrambles Championship Series 2018"

January 22, 2018 – Apple Valley, CA: The *Old School Scrambles Racing Group* welcomes **Rod Lake Racing** to our lineup of sponsors for the **2018 TT Scrambles Championship Series** this year. Rod, who at the age of 12, started reading *Cycle News* and then *Dirt Bike*, learning about his favorite riders as he got excited about motorcycle racing at a young age. Rod rode his first race at age 14....a rough Scrambles race at Hayward Speedway in Northern California, he has raced every year, since 1972.

"Seeing pictures of John R. racing in that striped jersey was it for me. He made racing look so, so fun" Mr. Lake explains. *"John Rice raced everything and anything, anyone that can have fun on a XL350 Honda...can have fun on anything"* he added.

To take it to a new level while encouraging more riders and their families to attend these TT Scrambles events, *Rod Lake Racing* is covering race entries for the **Kid's Mini Support Class**. Our combined efforts ultimately will work to introduce the younger generation to sport, while educating the public as to what **TT Scrambles** was, who the legends of the sport were and what is most important, to have **FUN** doing it as well.

Come on out to Glen Helen Raceway on **Sunday, February 11th** for the opening round of the **TT Scrambles Championship Series**, sponsored by Rod Lake Racing, Reign VMX, SoCal Maico, Bonfire Racing, Baldy Mesa Cycle, Moto 76, Diamond Construction and AV Excellence.
